focused on career

"The school aims to be distinct in its strong academic emphasis in inspiring both a love of learning for its own sake and a pursuit of excellence in school and beyond. All this it achieves extremely well."

Welcome to PWS

Choosing a school for your child is such an important decision because the school you select will play a huge part in your child's life, equipping them not only with the skills and experiences they will need for further study and employment but with principles, values and friendships which will last a lifetime.

Partap World School is a beautiful school with the capacity to transform the lives of the bright, multi-talented students who come here from diverse backgrounds. Offering children a richly varied and exciting education in a friendly, nurturing environment is important to us.

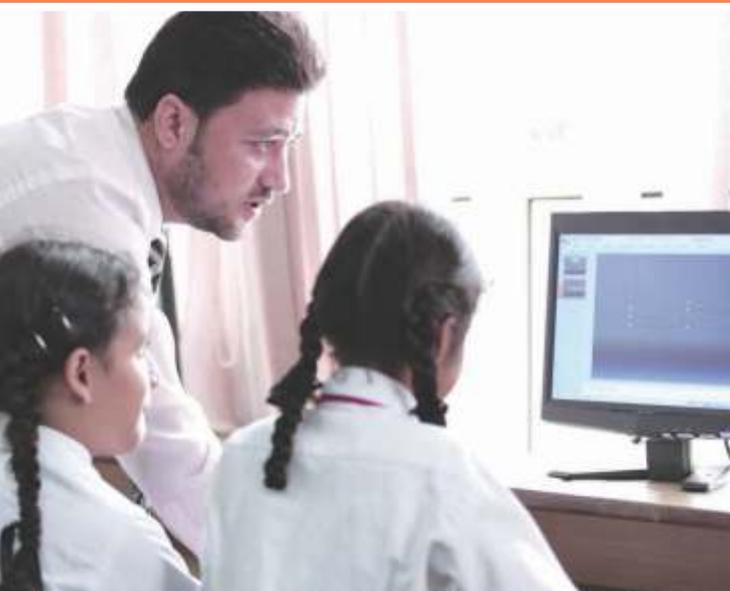

The School aims at the all round development of the students and strives to inculcate in them a positive and healthy, physical, emotional and intellectual attitude. Efforts are so directed as to develop in them consciousness towards social obligation, appreciation of Indian art, culture, music, theatre, dance and yoga together with computer literacy and understanding of the importance of physical fitness as these traits combine to form a well-balanced personality.

You are most welcome to meet our students, staff and discover the best for your child

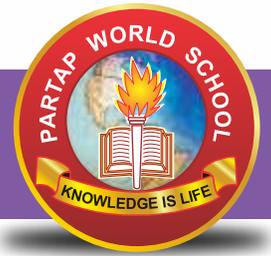

“PWS provides an environment in which students are not only encouraged to study hard but also to enjoy their work.... They are given the inspiration to do more.”

- Principal

Academic Excellence

Our approach towards education is encapsulated in the words of the Greek historian Plutarch:

“The mind is not a vessel to be filled, but a fire to be ignited.”

We want our students to discover their passion and pursue it for the sheer joy of the intellectual journey. No amount of rote learning or spoon feeding facts simply to pass exams can compare with the excitement of exploring a subject that fascinates and engages you, making learning adventure, not a chore.

PWS is a World class co-educational, day boarding cum residential school offering learning opportunities to around 1500 students ranging from Pre-Nursery to Senior Secondary level. The School is affiliated to CBSE, New Delhi and admits pupils from all over India and abroad irrespective of caste, creed or religion. Away from the hustle and bustle of city, Partap World School is ideally located at cross section of three states namely Himachal Pradesh, J&K and Punjab right on Defence road near Mamoon Cantt., Pathankot. Along with breathtaking view of Himalayan ranges, the school has more than 20 acre campus built to international standard, state of art school infrastructure, hi-tech learning blocks, extensive playgrounds, landscaped gardens, modern air-conditioned hostels and a fleet of transport for day boarders.

Infrastructure - offering endless opportunities

"The pupils' personal development is excellent. They are actively engaged in their school and they work very well with their teachers."

The medium of instruction and teaching is exclusively in English. The syllabus is based on CBSE pattern. Extensive use of Audio-Video aids including Visual DVDs, pectorial charts and maps is used to make learning more interesting and natural. The Classrooms and Labs are aesthetically designed with audio-visual computer lab, two art and craft studios, home science lab, 3-D lab, Physics, Chemistry, Biology Lab, Indian Classical, Western Instrumental, Theatre, Indoor games hall, Geography lab, Mathematics Lab, Language Lab, Music room and preparatory classes exclusively for boarders.

"Student centered learning implies offering each child a broader, deeper and richer educational experience by identifying each student's strongest talents and building on these in order to ensure that not a single child is left out while participating in academics, extra-curricular activities or even in sporting events. The areas of child performances are regularly groomed and monitored."

Outstanding Faculty

PWS places the teachers at the apex of the learning but with a difference. Our teachers act in varying roles like subject teacher, house tutor, house mentor or activity guide or even as a fellow sports person. In accordance to rigorous demands of the curriculum and pedagogy, exclusive teacher training, communication and competence building programs for 2-3 weeks per session are conducted by PWS in tie up representatives from CBSE (Central Board of Secondary Education), New Delhi. The School is having the possibility of exchange programs with some of the leading schools worldwide.

Science Laboratory

Science laboratories are specifically equipped so as to encourage pupils to develop a scientific aptitude by providing them complete access to experimental tools and variety of apparatus required in teaching Physics, Chemistry and Biology subjects, strictly as per CBSE norms. All students have access to these labs which are built to world-class standards, in which they can pursue individual and group projects with the support of their teachers.

Sports & activities

Vast playgrounds with complete infrastructure for all kinds of sports like Cricket, Hockey, Basketball, Football, Badminton, Athletics, Skating. World class 5 lane all weather Swimming Pool along with separate mini splash pools for kids.

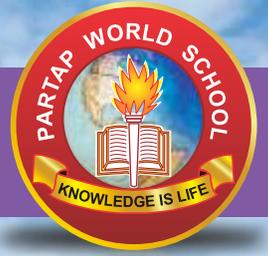

PWS provides for most of the requisite facilities and infra structural support for organizing sporting activities to develop and encourage interest and talent among children.

Student Counseling

Children who may have personal or study difficulties with their classes are referred to the professional guidance counselor for further testing assessment and one to one assistance.

Career counselling workshops, seminars and educational talk shows are regularly organised to create awareness among the pupils

Sporting success

“Live your Life to the fullest potential”

Sports and games are an integral part of education at PWS. This includes an Olympic-size football field, a 400 meter track, a world class professionally managed Swimming pool along with a splash pool for youngsters, a provision for Tennis, Basketball, volley ball courts, Cricket field, Hockey ground and of course an internationally standard properly fenced skating rink specially meant for training in Roller Hockey.

There is a dedicated center for indoor sports that houses well equipped Gymnasium, Squash courts, Table Tennis, Table Soccer, Chess, Carom, Multimedia Games and billiards especially for boarders.

For the harmonious development of the child, various competitions are regularly organized. At PWS, we strive for perfection in everything we do. We have variety of sporting events throughout the year so that students from all age groups can enjoy, relax and exercise all at the same time. We have first-class coaches who train students and coach them what, why & how to excel in the chosen field with skill, technique and of course sportsmanship.

PWS provides for most of the requisite facilities and infra-structural support for organizing co-curricular activities. Activities like knitting, gardening, basic cooking skills and other hobbies are especially taught and encouraged to develop interest and talent among children.

At PWS, we are always looking for talent among our students who are constantly encouraged to participate in regional and national level competitions from all parts of India and world there by honing their potential through short stories, school plays and even live shows.

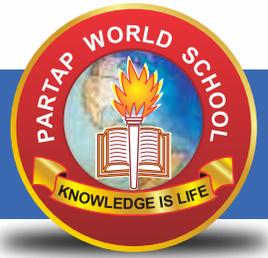

The school has also won several gold medals in a reputed International Table Soccer Championship held at Nepal. We also performed and excelled in National level drama competition.

Only CBSE school in India to participate in 35th National Games in Kerala

100 students performed a cultural programme in 35th National Games in Kerala during the closing ceremony. Again a proud moment for every parent and person associated with PWS fraternity when they saw their children in the National TV channel.

Hostel - *A friendly and supportive environment*

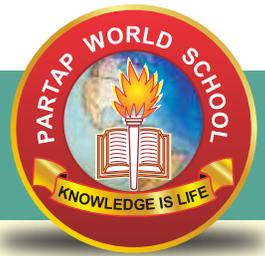

PWS being a full fledged residential school, has a separate hostel building for boys & girls within the main campus and provides comfortable, convenient, AC and fully secured accommodation with attached washrooms alongwith each dormitory. There are prep. room for each class to pay individual attention to the academic needs of hostellers. Each child is provided a bed with mattress and a locked cupboard along with a separate chair desk for study in prep room.

In addition to the well-balanced daily program for boarders that includes academics and extra-curriculars, there are extra remedial classes for every child. A full range of weekend activities are arranged for hostellers which may include drama, a visit to the theatre, game, puppet show or some debating competition, a lecture on some interesting aspect, a picnic, an excursion to a historical site and much more, thus life for boarders is fun filled.

The Hostel staff at PWS is a team of professionals with vast experience under the direct supervision of Principal who really makes personal efforts to ensure boarding at PWS is like a real home. At the heart of the school lies an amphitheater which provides a vista across a circular front.

Shri. Partap Chand Mahajan
Founding Father - PWS

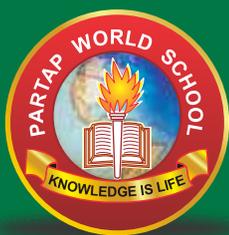

We believe that our school has a vital social role to play in the education of our children. We emphasize the following values which are taught informally everyday at PWS:

- Respect for elders
- Awareness and care for the environment
- Self-esteem
- Tolerance & understanding
- Good manners & courtesy
- Pride in achievement
- Sportsmanship
- Honesty
- Leadership & initiative
- Kindness & Generosity

These values should not only be seen to be emphasized at school, but also in the local community. Parents and community members have the major role in this area and the school invariably support their efforts.
